Colour:

Packaging unit: 10 pcs.

Thickness (mm): 2

Paint marker from GIMA: The industrial pen with valve system. Very high coverage ink for light- fast and wipe resistant writing on steel, stainless steel, aluminium, plastic, glass, ceramics etc. Select from the many colours and lettering widths.

Product characteristics:

- Paint based filler, no toxic solvents
- Felt pen with shut- off valve
- Heat resistant up to 1000° (only white color)
- Light- fast and wipe resistant, oil- resistant
- The ink dries quickly and has particularly good coverage
- The GIMA paint marker writes and adheres very well to smooth, clean surfaces
- Ideal for steel, stainless steel, aluminium, plastic, glass, ceramics etc.
- Made in Germany
